The Lancaster County Planning Commission has posted a notice of a public hearing on the county's website regards a request to rezone a parcel of land from R1 to R2. The website is: www.lancova.com and follow the links.

More info on the proposal may be found at www.FOLCVA.org. Suffice it to say that the parcel is at Quarter's Cove on the Eastern Branch of the Corrotoman River and R2 is not subject to the Waterfront overlay as is R1. Higher Density than currently permitted for this parcel? Check it out.

The next meeting of FOLC is on May 11 at 7pm at the Lancaster Community Library.
